

# Good News or Fake News?

## 'Christianity Explored' an Opportunity to Decide

**Christianity Explored** is a relaxed and informal way of sharing the best news you can ever hear, and gives people space and time to think about the big questions of life.

Over seven sessions we will look at Mark's Gospel to find out more about the life of the person at the heart of the Christian faith – Jesus Christ.

The structure of each session is simple:  
a short time of praise and prayer, a short film,  
and a chance to have a short discussion.

We will be meeting on Thursday evenings at 7.30pm  
in Fossoway Church Hall, please join us, all are welcome.
